

30-DAY ENGLISH FOUNDATION PLAN

Month 1 of the 3-Month English Fluency Journey

Designed for a Class 6 student starting from a weak level in English

Goal of this month: build 300 words of vocabulary, learn 10 core grammar topics, read and understand simple English passages, and speak confidently on everyday topics.

Daily time needed: about 90 minutes, split into Vocabulary, Grammar, Reading, Speaking and Listening.

What this plan includes	
300 vocabulary words	10 new words every day, with meaning and example sentence
10 grammar topics	Explanation + examples + 10 practice questions each
4 reading passages	One original story per week, with comprehension questions
30 speaking topics	One topic every day to build speaking confidence
4 weekly tests	Every Sunday, to check progress
Daily routine chart & rules	A fixed 90-minute daily schedule to follow

How to Use This Plan

This plan covers Days 1 to 30. Each day has five short activities. Do them in order, at the same time every day if possible. Every 7th day (Sunday) is a revision and test day - do not skip it, since it is when the week's learning becomes permanent. By Day 30, aim to know 300 words, all 10 grammar topics, and be able to speak for 1-2 minutes without stopping.

Daily Routine (about 90 minutes)

Time	Activity	What to do
15 min	Vocabulary	Learn 10 new words: write word, meaning, and one sentence
20 min	Grammar	Read the day's/week's grammar rule and do the practice questions
20 min	Reading	Read the passage aloud; find meanings of unknown words
20 min	Speaking	Speak only in English on the day's topic; record yourself if possible
15 min	Listening	Watch/listen to simple English content and repeat sentences

Golden Rules

- Never skip a day. Even a tired day should get at least 30 minutes.
- Speak only in English during Speaking practice time - no mother tongue.
- Say new words aloud, don't just read them silently.
- Keep one notebook only for this plan - write everything in it.
- Revise old words every Sunday before learning anything new.

- Ask a parent, sibling, or friend to listen to your speaking practice when possible.

This Week's Reading Passage: "The Little Bird"

One morning, a little bird built a nest on a tree near my window. She worked hard, bringing small sticks one by one. After three days, the nest was ready. Soon, she laid two small eggs in the nest. I watched her every day from my window. She sang a sweet song each morning. I learnt that even small creatures work hard for their family.
